Seamless Morning Pickup

Your day begins with a convenient 6:00 AM pickup directly from your hotel or residence in Nairobi. Traveling in a professional 4x4 safari vehicle with a pop-up roof, you will bypass the early morning city traffic and head straight to the gates of the park. This door-to-door service ensures a stress-free start to your safari adventure, allowing you to focus entirely on the sunrise views and the wildlife ahead.

Sunrise Game Drive in Nairobi National Park Experience the magic of the African savannah set against a backdrop of city skyscrapers. In the cool of the morning, you'll track the "Big Four," including the endangered black rhino, lions, leopards,

and buffalo. This early start offers the best lighting for photography and the highest chance of witnessing active wildlife before the midday sun sets in.

Heartwarming Encounter at Sheldrick Wildlife Trust

At 11:00 AM, we visit the Sheldrick Wildlife Trust, a world-renowned nursery for orphaned baby elephants. During this strictly scheduled one-hour public visit, you will watch the calves enjoy their midday milk feeding and mud baths. Dedicated keepers share the moving stories of each orphan's rescue and the trust's rehabilitation efforts. This is a rare, intimate opportunity to see conservation in action and learn about the delicate process of reintegrating these giants back into the wild.

Up-Close Conservation at the Giraffe Centre

Next, we head to the Giraffe Centre, home to the rare Rothschild's giraffes. This sanctuary allows you to stand on a raised wooden platform to hand-feed these gentle giants and even receive a "kiss" as they take pellets from your hand. It's an interactive and educational stop that highlights the success of local breeding programs and allows for incredible close-up photography of these majestic creatures.

Leisurely Lunch at Love Birds Gift Shop

For a midday break, we retreat to the tranquil setting of the Love Birds Gift Shop and Café in Karen. This hidden gem offers

a relaxed atmosphere perfect for a peaceful lunch. While your meal is prepared, you can browse a curated selection of authentic Kenyan handicrafts and jewelry. The lush gardens provide a serene backdrop to recharge before the afternoon's cultural experience.

Farm-to-Cup Experience at Mbumi Coffee Estate

We conclude the day with an immersive coffee farm tour at Mbumi Coffee Mills. Walking through the rolling green rows of coffee trees, you will learn the intricate journey of the Kenyan coffee bean—from the nursery and harvesting to the milling and grading processes. The highlight is a private roasting session where you can roast your own beans and enjoy a fresh, aromatic cup of premium coffee while

overlooking the picturesque farm landscape.

Relaxing Evening Drop-off

After a full day of wildlife and culture, your driver will transport you back to your hotel or the airport. You can relax in the comfort of your vehicle as we handle the evening traffic, arriving back at approximately 5:00 PM. This marks the end of a comprehensive tour that captures the very best of Nairobi's natural beauty and heritage.
